MEMBERSHIP HIGHLIGHTS

Our Membership Committee supported Chapter members and friends alike, through a tumultuous year by:

- Waiving many member and non-member program fees and giving away 6 free memberships
- Hosting a successful, 100% virtual, annual membership appreciation event – a big thank you to our friends at Delta Beer Lab for the event prizes
- Continuing to help Greater Madison's fundraising community with questions and communications between Chapter members and AFP International

YOUNG PROFESSIONALS HIGHLIGHT

The current Young Professionals Committee Chairs congratulate the **eight Young Professional Committee members** who have been nominated for the 2021 Board of Directors slate.

SCHOLARSHIP HIGHLIGHTS

- Despite the challenges of 2020, our Chapter was able to help three members renew their CFRE credentials
- Through the Frank Emerging Leaders scholarship, our Chapter also empowered our members to further their professional development through virtual education programs
- Our 2020 ICON scholars deferred their awards because of the pandemic and will attend the 2021 conference

PROFESSIONAL DEVELOPMENT HIGHLIGHTS

- The Professional Development Committee was unable to hold its CFRE Refresher Course as planned due to COVID-19. However members of this resourceful group responded to the virus with virtual Zoom-tables.
- Members responded well to the virtual opportunities to share, teach, and learn with others several times during the last three quarters of 2020. The annual Grants Workshop was held, but also became a virtual event thanks to the gracious efforts of the U.W. Memorial Library.
- The Chapter Mentoring program stayed on track with its program, nimbly changing course to bring mentors and mentees together via technology.

COMMUNICATIONS HIGHLIGHT

The Communications Committee released nine e-newsletters throughout the year, with:

- More original articles written by AFP and committee members
- An average open rate of 27.6%, which is **higher than the average nonprofit email open rate** according to Mailchimp and Campaign Monitor in 2019 and 2020.

Racial Justice Learning Resources

Racial Justice Learning Resources in Madison

As a white woman striving to learn and practice anti-racism, I appreciate that there are times we must do the self-work, as well as times we must do the work in community. In doing so, I am grateful for the opportunity to connect with community members and organizations working to dismantle white supremacy. Among many fantastic local organizations, YWCA Madison offers a number of racial justice trainings, conversations, and suggested resources.

-Victoria Boucher, Campaign Director of Community Shares of Wisconsin, Member of AFP Greater Madison's Diversity, Equity & Inclusion Committee

DIVERSITY, EQUITY AND INCLUSION HIGHLIGHTS

- The committee helped create and establish two new awards for Philanthropy Day Awards. These included Outstanding Achievement in JEDI and Outstanding Grass Roots Fundraiser.
- The chapter also achieved the IDEA Champion designation again this year.
- The committee has also planned a great program for January 2021 with Debbie Biddle presenting on Assessing Organizational Racism and Advocating for Anti-Racist Workplaces.

EDUCATIONAL SERIES HIGHLIGHTS

- While 2020 did not unfold as our committee had envisioned, we're pleased with how everyone pivoted to ensure that sessions continued to serve the fundraising professionals in our membership and the greater community.
- We were able to offer two in-person programs and then pivot to present three more virtual programs! Additionally, the AFP Board hosted a Q&A on proposed chapter structure changes. We are grateful for the sponsorship support of four programs in 2020.
- Thanks to DEI Committee for continuing our collaborative efforts by coordinating a session in January 2021.
